Abdullah Nooruddeen Durkee

(1938 - 2020)

O satisfied soul return to your lord well pleased well pleasing join My worshipers and enter My Paradise. (surah fajr)

The Batawi Shadhuli Tariqa (order) in Egypt mourns the Islamic nation as well as all Muslims around the world the loss of the luminous scholar sheikh Abdullah Nooruddeen Durkee, the sheikh of Batawi Shadhuli Tariqa in America and the founder of Dar al-Islam in New Mexico.

He was an eminent scholar who defended the religion of Allah and the Sunnah of His Messenger sayyidina Muhammad, peace be upon him. He is considered one of the pioneers of Islamic Tasawuff (Sufism) and one of the first Americans that was given khilafa as a sufi sheikh.

Sheikh Nooruddeen Durkee was chosen and blessed by Allah who granted him insight and endowed him with Islam. Allah empowered him to light places full of darkness and turmoil, so they are full of guidance and justice after they were full of misguidance and oppression.

He continued to struggle with care, help and success from Allah, Glory be to Him, the Most High, till his last hours when he met his Lord at the end of Muharram. The seal thereof will be Musk: And for this let these aspire, who have aspirations. (surah Mutaffifin).

One of sheikh Nooruddeen main tremendous contributions is the transliteration of the Quran, which is an aid to the non-Arabic people to understand Quran, as well as many other books, such as The School of the Shadhuliyyah, A Garden in Flames, Towards the One.....etc.

May Allah, the Most High, The Most Generous, compensate us for his departure and grant his family, his students and his loves patience and solace and to provide them with the aids of this blessed Sheikh, who was connected to the luminous chain which is connected to the Messenger of Allah, peace be upon him.

May Allah enter him His Jannah (paradise) with our prophet sayyidina Muhammad and place him among the company of the prophets, the righteous and martyrs. May Allah expands his grave and lights it with His blessings.

Submitted from Batawi Shadhuli Tariqa in Egypt and its present Sheikh Muhammad Salah al-Din Saleh and the sons of the eminent scholar professor Ibrahim al-Batawy, the sheikh of al-Batawi Shadhuli Tariqa.
